

**Results for HARRC's Tuscarora Trails Ultra 50K, and several other distances
March 26, 2016**

March 26 2016

Mother Nature gave us a gift for the run this year. Beautiful weather, warm, but comfortable temps and trails in excellent condition. But something more. Something special happened to everyone at HARRC's Tuscarora Trails Ultra 50K Trail run that day. It was wonderful day of friendship, running and giving back to the running community. I must thank the volunteers, the runners, HARRC, for allowing me to host this event, and the DCNR staff at Blain. I appreciate you sharing time with me in the woods, and I say that from the bottom of my heart.

Thanks
