**HARRC BUSINESS**

HARRC Tips and Pointers for Race Directors:

Joslyn motioned that the HARRC Tips (authored by Ondo(s)) will be shared with race directors who reach out to the club for help, seconded by Fogelman and approved.

USATF Running Club:

Fogelman motioned that HARRC cover the cost of creating an official USATF Running Club so we can have athletes represent the club at the upcoming Club Cross Country Meet in Lehigh Valley in December. Also in that motion is that HARRC will purchase singlets for the team with the HARRC logo to be worn during the event and any other subsequent USATF Running Club events. Seconded by Mark Ondo. In this motion, it was also discussed that the Board will reach out to our membership via social media and emails to gauge the membership's interest in creating and maintaining a competitive racing team. There is still a lot to discuss and work through on this topic. Any input and ideas from members is appreciated.

Training Program with Fleet Feet:

Fred Josly offered a training program specifically to HARRC members at no cost. Those present were interested in pursuing this further but agreed that further discussion with the rest of the Board members would need to take place before further pursuing this. Melton agreed to send an email to Board members for their input.

**NEXT MEETING & ADJOURNMENT**

There being no further business, Melton made a motion to adjourn the meeting (Second by Fogelman). The meeting was adjourned at 8:05 PM. The next meeting is at TBD on November 12, 2019 at 6:30 PM.

Respectfully Submitted,

Nicolette Bell, Secretary
